If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and z
Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 da
following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed
testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator h
determined that the site is ready for final inspection.)

On June 22, 2000 Amoco Production Company requested permission to P&A the subject well. Such approval was granted on July 2000. This is to advise that the plug and abandonment operations have not been initiated as of this date. It is our intention to commence P&A operations within the 3rd or 4th quarter of this year.

14. I hereby certify that the foregoing is true and correct.

Electronic Submission #4954 verified by the BLM Well Information System
