Gentlemen:

The referenced wells were drilled in May and June of 1990, have not been completed, and are apparently abandoned, in violation of NMOCD Rule 201-B.

You are hereby directed to submit a plan to complete the wells, or request temporarily abandonment status prior to February 12, 1994. Failure to comply will result in a case being called for Richmond Petroleum Inc., Underwriters Indemnity Co., and all other interested parties to appear and show cause why the referenced wells should not be plugged and abandoned.

Yours truly

Charles Gholson
