Ms. Hardy,

The Exhibit A-12 attached to my email of earlier this afternoon replaces the Exhibit A-12 that was originally filed on Thursday, February 11, as well as the Exhibit A-12 that Mr. Savage filed on Saturday, February 14, which contained the correct Well Proposal Letter dated July 13, 2020, but did not include the proposed AFEs.

I am attaching a replacement Exhibit A-12 that we are submitting on behalf of Ascent Energy, LLC, in place of the Exhibit A-12 that we originally filed with Ascent's E/2W/2 Hearing Packet.

The original Exhibit A-12 mistakenly contained the notice letters that were also submitted as Exhibit C-1 instead of the sample Well Proposal Letter dated July 13, 2020 and proposed AFEs that Ascent sent to the working interest owners.

We do not believe that the opposing parties will be prejudiced by acceptance of the replacement Exhibit A-12 since both parties received these documents seven months ago. If any of the parties object to this submission, we can address those concerns at the Status Conference.

Please accept the attached documents for filing and consideration.

Thank you,

Bill Zimsky
