Chase,

Your proposal for remediation of the above referenced produced fluid releases, is approved. Please proceed on your schedule.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.

Mr. Bratcher,

Yates Petroleum Corporation is submitting the enclosed work plan for the above captioned well. The

plan is being submitted in response to the C-141 reports dated May 6, 2014 and May 23, 2014.

If there are no objections with the scope of work described in the plan, Yates will have a contractor begin work on or after the week of September 10, 2014.

If you have any questions, feel free to call me at (575) 748-4171

Thank you.
