Subject: Well Names In Bernalillo County

Ed,
Thank you for informing us of the NMOCD's systems issue with our current well naming convention in Bernalillo County. To document our previously agreed to solution, Tecton Energy proposes the following revised well naming convention:

PROP.
303019

API# 30-001-20014
From: Westland Development Corp Barbara Page Well# 20-1 To: Westland Development Corp Barbara Page Well # 201

API# 30-001-20015 303019
From: Westland Development Corp Barbara Page Well# 28-1 To: Westland Development Corp Barbara Page Well# 281

API# 30-001-20007 21103
From: Westland Development Corp Barbara Page Well # 21-1 To: Westland Development Corp Barbara Page Well # 211

Please make these changes in the NMOCD system.

Thank you for your assistance and understanding in this matter.

Chris Christensen
