Mike/Heather,

Please find attached a work plan for the releases that occurred at the Dagger ZW Battery Pipeline on March 29, 2014 (2RP-2257) and April 2, 2014 (2RP-2258).

Due to size issues, I had to attach all the analytical reports separately. Also as a result of the size issue, there will be another email with additional analytical reports.

Should you have any questions, please let me know.

Thanks,

**Amber Cannon**
