Subject: RE: Termination Request and Final C-141 for Gissler A-2 Battery

Good Morning Leslie,

This Termination request looks good to close out 2RP-2233, but you were also supposed to clean up and address a second release (2RP-2628 DOR: 11/23/14) at the same time. I do not see that the second release was mentioned in the report, nor did I see the final C-141. Will you be treating 2RP-2628 separately, or would you like to update this termination request to include it?

Thanks,

Heather Patterson
