**Subject:** Re: Corrective Action Plan for the Burnett Oil Gissler B-3-1

Lara,

This plan is approved with these stipulations.

1. Take SP 1 down to 1' BGS.
2. Take SP 4 down to 1.5' BGS.
3. Because all of the contamination will not be removed, the operator will be required to address the remaining contamination upon abandonment of this facility.
4. You must obtain like approval from NMOCD.

Thanks
