Subject: Keohane #2 clean up

Ms. Patterson,
These are the cleanup pictures of the Keohane#2 from the one barrel spill. I hope the cleanup is sufficient. We are sorry for the misunderstanding after my foreman met with Mr. Morales on location. If there is anything else I need to do please contact me at 325-998-7107.
I thank you for your understanding in this matter.

Bill Dougherty
