Subject: RE: C141 Final- State CO SWD System (Roden GD Federal Com #2)
Date: Wednesday, July 01, 2015 12:05:00 PM

This closure request has been approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
