**RE: Oxy \* Cedar Canyon 15 SWD #1 \* 30-015-42797 \* 2RP-3384**

Cliff,

This work plan is approved as written.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

**Subject:** OXY - Cedar Canyon 15 SWD #1 - Remediation Plan

Mike,

I have attached the remediation plan for the Oxy Cedar Canyon 15 SWD #1 release. In the packet you will find a cover page describing what Oxy proposes along with the site diagram depicting the excavation areas and the associated lab data and initial C-141.

If you would please review this request and if it is acceptable, please respond via email with your approval, it would be greatly appreciated.

Thanks, Cliff
