---

Good Morning Sheldon,

Sorry I missed your call yesterday, Mike and I were in the field and actually swung by this location to check progress. Everything looks great for backfill.

Be safe!

Heather Patterson

Heather,

I just got the lab report in for S-4. It is clean. Please review it along with the stuff I sent you previously and let me know if you are good with backfilling.

Respectfully,

**Sheldon L. Hitchcock**
