RE: Oxy USA * Conoco 10 State #1 * 30-015-23066 * 2RP-2976

Thank you Cliff,

This closure request is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Heather,

To confirm our conversation this morning, this site was cleaned up in January 2016 and the work was completed by BDS, another Oxy contractor.

Kathy,

I'm unclear about a few things in this closure request. When was the work for this actually done? And was the work done by Talon or by BBC?

Thanks,
