RE: COG Operating * Myox 32 Fee #2H * 30-015-41521 * 2RP-3610

Mr. Grubbs,

Your work plan for the above listed location is approved with one exception; please excavate the area inside the berm to a depth of 1 foot.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Heather Patterson
Environmental Specialist
NMOCD District II
