---

Brenda,

The State Land Office sent us these pics of a release at one of your locations. Looks like in addition to a spill, the open top tank is unnetted. Can you please look into this and let me know what you find.

Thanks,

Heather Patterson  
Environmental Specialist

Howdy ,

Found this this am. Looks like injection well in use. Spill on pad and unnetted tank

Thank you,  
Robert
