Bruce and Amber,

Please disregard this email pertaining to 2RP-3317. I grabbed the wrong file. I will get it corrected and re-send, and at this time, 2RP-3317 is not approved for closure.

Sorry for the error on my part.

Thanks,

RE: Apache Corp * Apache St SWD 3 * 2RP-3317 * DOR: 10/2/15

Bruce,

Your request for closure of the above referenced release is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.
