RE: Enterprise Field Services \* Pipeline ROW 1009 Gathering Lateral \* **2RP-2915** \* DOR: UNK – Discovered 3/8/15

Greetings,

Your request for closure of the above referenced release is approved. Federal sites will require like approval from BLM

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
