Mike,

I have attached the Barnsdall map, per Bob Allen (SESI), as discussed in your phone conversation this morning, 1-19-2017.

*Thank You*

Bob,

Can you provide a diagram of what is proposed to be, or has been, excavated, vs impacted material that will be left behind due to the 4' no dig policy? I am a little unclear on that aspect of this proposal. Also, this is Federal surface and will require review/approval by BLM as well as OCD.

Thank you,
