**Subject:** RE: Red Lake 28 K State #1 work plan

RE: Apache Corp \* Red Lake K St 1 \* **2RP-3960 & 2RP-3961** \* DOR: 10/10/16 & 10/4/15

The remediation proposal for the above referenced releases is **not** approved. OCD requests additional vertical delineation at both release areas, additional sample points in the battery, and testing for chloride content. Lateral definition will be required in the area outside the battery. The site diagram shows the battery sitting north/south. Battery at this site is east/west.

If you have any questions or concerns, please contact me.
