RE: COG * Colt St Com 2H * **2RP-3973** * DOR: 10/11/16

Robert,

Your request for closure of the above referenced release is approved. It is OCD's understanding that the containment has been cleaned and the liner inspected for integrity.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.

Thank you,

Mike Bratcher
