RE: Judah Oil \* Scottsdale Federal #3 \* 30-015-25307 \* 2RP-4146

Hello Blaise/Heather,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval. The OCD tracking number for this event is 2RP-4146.

PLEASE NOTE: Within my scan I included the original C-141 which has the COAs attached to it. I did that cause the original C-141 is the one that we logged in through the system originally and the COAs are connected to that as far as timeframes go. If you have any questions please feel free to ask.

Thank you,

Hey Crystal,

Please find the attached. I need to correct the “cause” portion of the C141 for 2RP-4146. Also, see the corrected lat/longs. It appears I added an extra number in there the first time.

Sorry for any inconvenience, I’ll get it right next time!

See you soon,
