RE: Enterprise Field Services * 2RP-2139 * DOR: 12/20/13

The above referenced release event is approved for closure.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

I have been asked to forward the following information:

Mr. Bratcher,
Per your request regarding final C-141 forms for previous Enterprise Field Services pipeline releases, please find the attached documentation.
Please note, it appears as though the initial C-141 form was submitted for this "gas only" release. As such, Enterprise is submitting the attached signed C-141 form the below referenced release.

Please let Alena Miro know should you have any questions regarding this submittal.

Responsible Party ID	Date of Event	Line Number
2RP-2139	12/20/2013	Line A6

Shiver Nolan

Sr. Compliance Administrator
