Subject: Eddy County Marquardt Line 2RP-3298

I have been asked to forward the following information

Mr. Bratcher,
Per your request regarding final C-141 forms for previous Enterprise Field Services pipeline releases, please find the attached documentation.
Please note, it appears as though the initial C-141 form was submitted for this "gas only" release. As such, Enterprise is submitting the attached signed C-141 form for the below referenced release. As noted, this release was for the decommissioning of a segment of a line that was in an area of an endangered species and no surface disturbances occurred.

Please let Alena Miro know should you have any questions regarding this submittal.

Responsible Party ID	Date of Event	Line Number
2RP-3298	3/10/2015	ROW, Marquardt
