Good morning Mike.

I received confirmation that yes, both of these facilities are physically closed and removed.

But, I mistakenly sent in the Hackberry 16 Closure C-147 prematurely. Brett Fulks informed me again that we were still waiting on samples, so please hold off on the Hackberry 16 C-147 at this time.

I'll await your advice and instructions on the proper completion of the Closure C-147.

Thanks Mike !

Good Morning Denise,

I haven't closed one of these myself, so we may learn together. One is in District 1 (Hobbs), so I am copying Tomas Oberding. Are the facilities physically closed?

Thanks,

Hi Mike.

I know these have been a long time coming. I have closure dates on them, but would you let me know if I need to edit in any way? None of us have ever filled a C-147 out before.

Thank you for the help so much!
