Subject: DCP - Buffalo Valley Project Update Summary and Revised Remediation Work Plan
Attachments: Buffalo Valley - Project Update Summary and Revised Remediation Work Pla....pdf

All,

On behalf of DCP Midstream, Tasman Geosciences is submitting the attached *Project Update Summary and Revised Remediation Work Plan* for the Buffalo Valley Compressor Station with associated RP# 2RP-3817. The attached document summarizes the Site remediation activities that have been conducted to date, proposed supplemental remediation, and proposed Site reclamation and revegetation. Should you have any questions or require additional information regarding the activities discussed, please feel free to contact me anytime.

Regards,

Brian Humphrey
