RE: Mewbourne \* Quick Draw 22 D #1 Battery \* 30-015-37377 \* 2RP-4304

Zack,

Sorry for the delay on this one. It and quite a few others had been misplaced. I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval. The OCD tracking number for this event is 2RP-4304. Considering the delay OCD will accept release characterization work plans 15 days from today's date.

Thank you,

Dear Colleagues,

Attached is the C141 from the battery fire that occurred due to lightning. I was unable to get ahold of anyone with district 2 OCD in order to give 24 hour notice but I left a message with Mike and Ray. If there are any questions or concerns please let me know.
