Hello Louis,

I need the 3 updated C-141's for WSU #15, ESU #20, and ESU Battery. All that was needed on those was for you to sign them and return them. Please remit those to the OCD (make sure to copy the BLM when you send those in) no later than close of business today.

Thank you,

Hello again Louis,

So I had passed on to our OCD administrative staff, the latest revised C-141 documents you had sent in for WSU #15, ESU #20, and ESU Battery and she caught the fact that you had never signed the C-141's in the bottom left box where all your information is asked of you. So could you please sign each of the C-141 documents and then resend them for processing.

Thanks,

Crystal Weaver

Louis,

Do you have the corrected C-141s ready to send over with the coordinates on them? Just wanted to follow up with you on that since I don't think I had gotten anything in that I know of.

Louis,

Thank you for the submission of the C-141 forms. I see there was a new release at the East Shugart Unit #15 on 9/4/17. Thank you for getting us the form for that one as well. Unfortunately I will need you all to resubmit each form because the area on the form where we require a GPS decimal degree coordinate is blank on all of the forms. We need you all to write in coordinates that identify the actual point of release please.

Thank you,
