Hi everyone, I just wanted to CC you on the below email from Sheldon updating you on the status of the PLU 36 cleanup. He is thinking they will have a rig available the first of August.

Thanks,

Emily,

We will have a rig in town the first week of August. I will keep you posted on exactly which day we will be at the Poker Lake when the time comes. Let me know if you need anything else.

Respectfully,

Sheldon Hitchcock

Emily,

The drilling event requested by NMOCD (1 boring in the worst case area) will cost approximately \$6,700. This includes analytical data and drafting of a work plan. Please let me know if you have any questions.
