Sheldon,

Your request for closure of the above referenced release is approved. It is OCD's understanding that this release was caused by a third party contractor (Gibson Energy).

If you have any questions or concerns, please contact me.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
