Subject: Chi Operating - Loco Hills area release
Date: Monday, August 14, 2017 3:29:17 PM

Ms. Weaver

Chi has asked Hicks Consultants to assist them with the path forward for their recent release.

Mr. Mann filled out the C-141 and provided it to you in your office. Can you please send us a link so we can download the initial report – or scan it and email it to us.

Mike Stubblefield and I will be coordinating with Mr. Mann to see what we need to do next.

Thanks

Randall Hicks
