Ashley/Kyle,

I am just now getting to look over this work plan today. I have it from when you sent it on 11/16/17. If you can believe this, we are literally just that far behind. Thanks for your patience. I will look it thru and hopefully get back to you all on it before this week ends.

Ashley please note: Any submissions you send to the OCD Environmental Team out of District II need to go to both Mike Bratcher and myself. I have attached Mike into this email so that you will have his contact information and he will have yours.

Thank you,

Crystal Weaver

Hi Crystal,

I'm flooding your inbox today. I just wanted to check on the status of this submittal. Please confirm you have the work plan and will let us know when it's approved or if you have any questions.

Thanks,
Ashley

Good Afternoon Crystal,

On behalf of XTO Energy, I have attached a sampling work plan for the Los Medanos 36-23-30 State Tank Battery/2RP-4114 for your review. I am working with Kyle Littrell, the new EH&S Coordinator for XTO's Delaware Division. Please let Kyle or myself know if you have any questions or concerns.

Thank You,
Ashley
