RE: OXY \* Vortec 22 #1 Battery \* 30-015-34817 \* 2RP-4599

Wade,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4599, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action immediately since this one had a due date of 3/1/18 and that has passed.

Thank you,
