Lucas/Casey,

Please visit the OCD website and download the latest version of OCD's form C-141. I noticed on the Tiger Recycle Facility, the form you submitted is outdated and actually had an RP number (2RP-1791) on the bottom of it, and I believe Crystal had mentioned the Lat/Long format required. For future reference, OCD will accept all C-141 submittals as they are sent, any discrepancies will be noted and the sender advised. The C-141 will remain open until such time as all corrections are made on the submittal.

Here is a link to access the latest form, available in both PDF and WORD format: <http://www.emnrd.state.nm.us/OCD/forms.html>

If you have any questions or concerns, please contact me or Crystal Weaver.

Thank you,
