RE: XTO Energy, Inc. * Remuda Recycling Facility * **2RF-126** * H-25-23s-29e * Eddy County, NM

Stephanie,

The Form C-147 submitted for registration and permitting of the above referenced recycling facility and related containments is accepted/approved. The facility has been assigned NMOCD Admin Permit number **2RF-126**. The west side of the containment is assigned **2RF-126A** and the east side of the containment assigned **2RF-126B**. Please use these reference numbers for all future correspondence and for monthly Form C-148 volume reporting.

XTO has requested variances from [19.15.34.12 A (4)] liner requirements, [19.15.34.12 D (2)] fencing requirements, and [19.15.34.12 E] netting requirements. These three variances are approved as requested in the submittal.

As a condition of approval, the operator agrees to construct, operate, maintain and close the facility and related containments in compliance with [19.15.34] NMAC.

OCD approval does not relieve the operator of liability should their operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
