The **BLM acceptance/approval does not** relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment or if the location fails to reclaim properly. In such an event that the location does not revegetate, or future issues with contaminants are encountered, the operator will be asked to address the issues until the contaminant issues are fully mitigated and the location is successfully reclaimed. In addition, BLM approval does not relieve the operator of responsibility for compliance with any other federal, state or local laws/regulations.

RE: 2RP-4332

Ben,

I forgot to add a condition of approval for the above referenced release. OCD will require confirmation samples to be obtained from sidewalls, or an area just outside the indicated impacted area, in a manner that will confirm lateral/horizontal definition of impact has been achieved.

Thank you,

Mike Bratcher

RE: OXY USA * Indian Basin Station 10 * 2RP-4332 * DOR: 7/17/17

Ben,

Your revised proposal for remediation of the above referenced release is approved with the following:

- Target goal for chloride impacted material will be 600 mg/kg (left in place without a liner)
- Any liner placement must be at a minimum of 4' bgs.

Federal sites will require like approval from BLM. Please advise once remedial activities have been scheduled.

Thank you,

Mike Bratcher

Subject: Revised Spill Remediation Plan - Indian Basin Station 210 (2RP-4332)

Mr. Bratcher, Ms. Weaver & Ms. Tucker,

Trinity Oilfield Services, on behalf of OXY USA, Inc., is pleased to submit the attached *Environmental Site Summary & Spill Remediation Plan (Revised)* for the Indian Basin Station 210 release site in Eddy County (2RP-4332). Trinity is prepared to begin the proposed remediation activities upon your review and approval.

If you should have any questions, comments, or concerns, please do not hesitate to contact me by telephone or email.

Thank you for your time and consideration.

Respectfully,

Ben J. Arguijo
