RE: OXY (this well is under OGRID #17891 - Pogo Producing Co.) * Harroun 9 1E Central Tank Battery
* 30-015-34894 * 2RP-4493

Wade,

It appears that this well is still listed in our system under ownership OGRID number #17891 which corresponds with Pogo Producing Co. A Change of Operator needs to be requested for this well if the current operator is now in fact OXY.

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4493, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action by no later than 1/5/18.

Thank you,
