RE: Marathon Oil Permian * Sterling 20 St 1H * **2RP-4690** * DOR: 2/2/18

Callie,

Your request for closure of the above referenced release is approved. OCD records indicate 2RP-4725 remains open on this site.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
