RE: EOG * Mucho Luck BBW Federal COM #2H * 30-015-39348 * 2RP-4639

Bob,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4639, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action immediately since this one has a due date of 3/28/18 and that has passed.

Thank you,

Crystal Weaver
