RE: OXY * FNR 26 Federal #1 Central Tank Battery * 30-015-30412 * 2RP-4595

Wade,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4595, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action immediately since this one had a due date of 3/3/18 and that has passed.

Thank you,

Crystal Weaver

All,

Attached is the **Initial C141**. Please review and let me know if there are any questions. Thank you.
