RE: OXY * Sundance Federal A Central Tank Battery * 30-015-33384 * 2RP-4622

Wade,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4622, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action immediately since this one has a due date of 3/15/18 and that has passed.

Thank you,
