NMSLO approves of the delineation plan. As stated in the plan, confirmation samples of the bottom/sidewall are necessary to ensure all impacted material has been removed. Approval from NMOCD is also necessary.

Subject: SRO State COM # 006H (1-20-18) Release (2RP-4589) Workplan

Mr. Bratcher / Mr. Mann,

Good morning, please find attached the Soil Investigation Summary and Proposed Remediation Workplan for the SRO State COM # 006H Release (2RP-4589) for your review and approval. Please let me know if you have any questions. Thanks and have a good day.

Regards,

Matthew Green, P.G.
