RE: COG * SRO St Com 6H * **2RP-4589** * DOR: 1/20/18

All,

This proposal for remediation of the above referenced release is approved. Please advise once remedial activities have been scheduled, and, in the event liner placement is utilized.

Thank you,

Mike Bratcher
NMOCD District 2
811 South First Street
Artesia, NM 88210
575-748-1283 Ext 108

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
