RE: COG \* Road Runner 2-12 Central Tank Battery \* fAB1805340217 \* 2RP-4633

Sheldon,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4633, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action immediately since this one has a due date of 3/21/18 and that has passed.

Thank you,

**Crystal Weaver**
