Good Morning,

Attached is the initial form C-141 detailing the release of fluids from the referenced facility. The given GPS coordinates (32.152701 N, -104.000392 W) confirm the release source is located on the north central part of the associated well pad, the position of the frac tank containment. Please contact us with any questions or concerns. Thank you.

Respectfully,

Subject: Release Notification - Corral Canyon Federal Com 16H (API 30-015-42928)

Good Morning,

This is sent as notification of a fire and a release of fluids in an amount greater than 25 barrels associated with the referenced facility frac that occurred yesterday late evening. The fire was stopped in the small hours of this morning and there were no injuries. Details will be provided with an initial C-141. Please call with any questions or concerns.

Respectfully,

Amy Ruth
