Mike,

I will be sampling at this location tomorrow morning at 8 a.m. I had to have electrical lines moved out of the way before sampling could occur, they accomplished that today.

Thank you,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
