Hello Mr. Settle,

OCD has received your proposed workplan, thank you! This workplan has been approved. Please let me know if you have any questions.

Best Regards,

Maria Pruett

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
