Subject: North Pure Gold 8 Fed 11 Release Initial C-141

Good evening,

Attached please find the initial C-141 for a release at the North Pure Gold 8 Fed 11 facility. It's my understanding that on Friday during the spill rule review course that the NMOCD put on, new versions of this form were mentioned. I was not there and am not aware if those have been distributed yet.

Thanks,

Brett Fulks
