Good Afternoon Suzanne,

Thank you for speaking with me today. As mentioned our inspectors found a few spills at one of your locations. The attached photos are from API:30-015-05379. I will have additional photos from another site shortly.

On August 14, 2018 NMOCD's new Spill Rule and updated C-141 came into effect. There are links below. Please fill in the C-141 and submit back to OCD. Let me know if you have any questions or need any assistance.
