Hello Ms. Ruth,

OCD has received the C-141 Release Notification and Closure, thank you. The Closure for 2RP-5036 is approved. Please let me know if you have any further questions.

Best Regards,

Maria Pruett

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
