RE: RKI \* Santa Fe Fed #8 \* 30-015-27126 \* DOR:11/22/2014 \* **2RP-2625**

Mr. Laird,

I just wanted to inquire about the release on the Santa Fe #8 from last November. Can you please supply a timeline on when delineation activities might begin for this site? The OCD conducted an onsite inspection yesterday and are available to answer any questions or concerns you might have about this delineation.

Thank you,

Heather Patterson
